

The Love of China *School of Dance*

Spring FantAsia

The Love of China School of Chinese dance is planning its Spring FantAsia cultural showcase for **3:00 on March 28, 2010**. The school, under the direction of Ms. Emily Dedear, commits itself to teaching Chinese folk dance; its missions are to serve the Chinese American community as an organization of maintaining the cultural heritage, and to introduce Chinese culture to American society through dance performances. This group is well known in the Austin area, and has been honored for its community service performances. However, a full-length dance performance such as this showcase is an enormous undertaking, and the school limits these to every three years.

I am inviting you or your business to become a sponsor of Spring FantAsia. Your name or your business name will be recognized on the program, and seen by both community leaders and attendees. The performance is anticipated to sell out, and will be held at the Westlake High School Performing Arts Center at 4100 Westbank Dr. in Austin.

Benefits of supporting the Spring FantAsia include:

- Bronze – \$50 - \$99 – name or company name in program
- Silver - \$100 - \$199 – name or company name in program, plus two (2) general admission tickets
- Gold - \$200 - \$299 – name or company name in program, plus four (4) general admission tickets
- Platinum - \$300 - \$499 – name or company name in program, plus two (2) V.I.P. admission tickets
- Diamond - \$500 and up - name or company name in program, plus four (4) V.I.P. admission tickets

Please know that your contribution will help make this event possible and give the dancers an opportunity to share their talents with the Austin community. Through their education in Chinese folk dance, the young people grow in determination and confidence, and are given a chance to connect deeply with their heritage, be part of unforgettable experiences, and gain pride for their culture.

You can take pride in being a part of this special event.

If you require additional tickets, or are unable to contribute, \$10 general admission and \$40 V.I.P. tickets will be available in the spring; we hope you will be able to attend the Spring FantAsia.

Please call if you have any questions about the event or of sponsorship.

Thank You! 謝謝
